E-Z-GO® FREEDOM® TXT®

RELIABILITY THAT TAKES YOU FARTHER.

As the best-selling car in golf, the TXT has been trusted to provide reliable performance and exceptional value for courses around the world. Available in 48-volt DC electric or 13.5-hp gas options, only the TXT offers customizable TruCourse™ technology for performance that caters to the contours of your course. The Freedom TXT offers these same features plus faster, programmable speed and front and rear lights for a more automotive look that can quickly get around any property.

Adjust your fleet's performance to match the unique contours and conditions of your course for improved efficiency.

A new, modern look and golfer-focused improvements make the TXT an even greater value.

Designed for durability, every TXT is backed by a standard industry warranty.
