Ready to travel in comfort and style across any path

Home away from home, everywhere.

Get ready for a first-class experience with exquisite interior styling designed for seamless driver and passenger comfort. The 7" multi-information display keeps vital vehicle data at your fingertips—so you're always in control, no matter where the road takes you. The 9" touchscreen infotainment system with Apple CarPlay®, Android Auto™, Bluetooth®, and built-in Wi-Fi ensures you stay connected on every journey.

Morning commutes? Handled. Long-distance road trips? Effortless. Cross-border adventures? Sorted. Wherever you go, the ISUZU MU-X makes every drive feel comfortable.

Bask in personalised comfort with 8-way power-adjustable driver seating and 4-way power adjustment for the front passenger, making every ride feel just right. And when adventure calls, switch between 4X2 and 4X4 modes at speeds of up to 100km/h, for confidence and capability across any terrain.

Space meets sophistication

Whether it's a family road trip or extra cargo space for adventure gear, the new ISUZU MU-X offers spacious 7-seater flexibility. Flat-folding second-row (60:40 split) and third-row (50:50 split) seating make it easy to adapt to any journey.

Camping trip? Packed. Extra luggage? Sorted. Long-haul travel? Comfortable.

Partial leather seats add a refined touch, while automatic climate control with rear cooling vents ensures everyone stays at the perfect temperature. Convenience is at your fingertips with all-round electric windows featuring one-touch driver control with jam protection and a timer.

Battery running low? Not a problem. Stay powered with C-Type USB charging ports, a 220V auxiliary power socket, and two 12V power outlets. For an immersive drive, the 8-speaker surround sound system and steering wheel audio controls let you enjoy every beat of the journey.

The MU-X isn't just a vehicle—it's a space designed for effortless comfort, smart technology, and premium convenience.

Ready to take on every obstacle, on every terrain.

Rocky climbs? Conquered. Dirt roads? Owned. River crossings? Handled.

The new ISUZU MU-X is ready for any uphill, downhill, or Sunninghill. It delivers the perfect balance of power, capability, and durability for any journey.

Built for adventure, the electric 4-wheel drive selector on 4X4 models allows seamless switching between 4X2 and 4X4 high modes at speeds of up to 100km/h, ensuring effortless adaptability on the road.

Muddy trails? No problem. Open highways? Smooth sailing.

Equipped with enhanced off-road protection, you can take on the toughest conditions with confidence. A skid plate guard, engine sump guard, transfer case guard, and oil pan guard keep vital components protected, while the ability to wade through water up to 800mm deep ensures nothing stands in your way.

Whether you're navigating rugged landscapes or hauling heavy loads, the new MU-X's towing capacity of up to 3,500kg for a braked trailer (750kg unbraked) ensures you're ready for anything, anywhere.

Ready to protect you and your family, wherever you go.

Safety first.

Designed with your safety in mind, the new ISUZU MU-X is equipped with a comprehensive range of features to keep you and your passengers secure in every situation.

Late-night drives? Secured. Long trips? Safeguarded.

It offers advanced technology to prevent accidents, active systems that protect you on the move, and crash safety technologies that shield you in a collision. Wherever the road takes you, the MU-X is always ready to put safety first.
