MAZDA CX-60

INTRODUCTION

EXCELLENCE AT EVERY LEVEL

Discover the Mazda CX-60 range, crafted for progressive luxury and performance. Start with the 2.5L Dynamic, offering refined performance. Upgrade to the Individual 2.5L for advanced technology and all-wheel drive. The pinnacle, Takumi 3.3L Turbo Diesel Mild Hybrid, combines luxury with hybrid efficiency. Each grade delivers an impressive combined fuel consumption of 4.9L per 100km.

3.3L | MILD HYBRID
TURBO
DIESEL

With meticulous attention to detail, the luxurious Mazda CX-60 3.3L Turbo Diesel Mild-Hybrid Takumi features opulent interiors, advanced technology, and a smooth, powerful ride that transforms every road trip into a luxurious adventure.

MAZDA CX-60

PERFORMANCE

MAZDA CX-60

SUCCUMB TO ITS POWERS

The Mazda CX-60 3.3L Turbo Diesel Mild-Hybrid is a powerful expansion on our luxurious SUV range. It perfectly showcases our passion for combining human-centric technology with the finest Japanese craftsmanship. For more on the top-of-the-range features included in this vehicle, explore below.

MHEV ENGINE TECHNOLOGY

The Mazda CX-60's Mild-Hybrid (MHEV) technology represents a leap in eco-friendly driving, blending an internal combustion engine with an electric motor and battery for enhanced fuel efficiency and reduced emissions. This system captures energy during deceleration, assisting acceleration and promoting sustainable transportation.

TURBO DIESEL ENGINE

The Mazda CX-60 3.3L Turbo Diesel Mild-Hybrid combines exceptional performance and efficiency, with a turbocharged engine delivering 550 Nm torque and 187 kW power for exhilarating acceleration and overtaking. This showcases Mazda's commitment to innovative, powerful driving experiences without compromising on eco-friendly technology.

3.3L POWERTRAIN

The Mazda CX-60 Takumi's 3.3L powertrain stands out with advanced technology for superior performance. Its smooth power delivery ensures a comfortable drive, while its efficient fuel displacement enhances highway fuel economy. Durable construction promises longevity, setting a high standard in its class.

MAZDA CX-60 EXTERIOR

MADE WITH SOUL

The Mazda CX-60, crafted under the Japanese KODO Design philosophy, transforms metal, wood, and leather into a vehicle with soul. This design approach emphasizes simplicity and elegance without clutter, enhancing every detail—from the personalized cabin space to the resonant engine sound and smooth gear shifts. Experience the artistry that makes the Mazda CX-60 a car designed to move you, inside and out.

Nappa Leather Interior

AN UNMATCHED INTERIOR EXPERIENCE

The Mazda CX-60's cabin showcases the dedication to craftsmanship, featuring premium materials, ergonomic seating with ample head and legroom, and cutting-edge infotainment. Its intelligent space utilization offers a perfect mix of performance and interior comfort, making it an attractive choice for discerning drivers.

MAZDA CX-60 FEATURES

SKYACTIV TECHNOLOGY

The Mazda CX-60 3.3L Turbo Diesel Mild-Hybrid features exclusive SKYACTIV technology, optimizing performance, fuel efficiency, and emissions. SKYACTIV-D enhances combustion, power, and performance, while SKYACTIV Hybrid improves fuel economy and lowers emissions. This integration exemplifies Mazda's holistic commitment to automotive innovation.

DRIVER PERSONALISATION SYSTEM

This system will automatically adjust the driver's seat, steering wheel, Head-Up Display position and exterior mirrors based on body height and eye position. You no longer need to do this yourself; this is made possible by making use of a facial recognition camera.

360° VIEW MONITOR + SEE-THROUGH-VIEW

Mazda's 360 View Monitor uses a four camera system that covers all sides of the vehicle to display a bird's-eye view of the car from above on the center display, as well as a choice of front, rear and left or right side views. The Mazda CX-60 adds See-Through View as a further evolution of the 360° View Monitor functionality.
